To hear about closings or  
changes in our hours due to  
the weather,  
Please call  
WINY Radio at  
860-928-1350.

Please make sure to come to stripe testing days. When we have to stripe test students outside of those days, it cuts in to class time. Graduation in class also delays teaching required material. Please try not to miss these days.  
There are no MINI Black Belt Club Classes the week of stripe testing.
