Birthday Party Idea!

We do karate birthday parties. Two hours of fun and parents can just sit back and relax. Ask one of the Masters for information.

Did you know that karate parents get a free month at the gym? You also get a very affordable rate for your fitness membership. We also have a great fitness trainer here if you need some extra help: Midtown-fitness.com for more information. Also we have many parents who do karate with their children. Please come speak to us if you have an interest!

LOBBY USE

Please note that we need all families to sit quietly and orderly when in the lobby. Please remember that it is not a playground. We are thinking about converting our front room to a homework/quiet area. What do you think? We have a few desks but are looking for a few more.

Student Handbook – The new student handbook is ready for download from the online university as a pdf file. This will be your latest information on how things run at the school.

Stripe requirements listed are MINIMUM requirements. It is not an automatic promotion just because you have been evaluated and have the minimum number of evaluations. Readiness for the next level and competency of material must also be achieved. In this area we have decades of experience. Please explain the system to your child.

Chuck Norris can cut through a hot knife with butter

When Chuck Norris does a push up, he isn't lifting himself up, he's pushing the Earth down.

When the Boogeyman goes to sleep every night, he checks his closet for Chuck Norris.

Curriculum sheets are online for home study-
questmartialarts.us/student-information/student-downloads

Please note these have all been updated in August, so please replace your old ones. Complete sets are available for sale at the front desk.

An accumulative test and evaluation testing are done when students change levels. When a student advances from intermediate to advanced they will be tested on all of the blue level material. Your study/curriculum sheets are a necessity for this review. Black Belt club review classes are on the schedule monthly to assist you in reviewing this material.

Membership cancel notice- Memberships maybe cancelled but we do need thirty days written notice. (but don't let your kids quit such a great program!)
